

LAURELTON FIRE DEPT. LUCKY LOTTERY CALENDAR

**TAX DEDUCTIBLE
\$20.00 DONATION**

Each lucky calendar has a 3-digit number assigned to it. This number corresponds to the Daily Number pulled each night of the year by The New York State Lottery Commission. (If *two* Daily Numbers are drawn per day, Laurelton will honor the **EVENING** number.) If your calendar number matches the number pulled that night by New York State, you win the amount of money listed on your calendar for that day. The cash winnings range from a minimum of \$25 to a maximum of \$100. Your donation of \$20.00 per calendar is tax deductible and breaks down to less than 6 cents per day.

YOU COULD WIN EVERYDAY!

This is a fund raiser for the Laurelton Volunteer Fireman's Association. Unlike other Daily Number related drawings that are good for only a specific month, your calendar is good every day of the year. You will win as many times as your number is drawn. There is no limit to your winnings per year. You do not even have to keep track of the Numbers yourself. We keep the records and automatically send you your winnings check in the mail.

A GREAT CHRISTMAS GIFT!

THANK YOU AND GOOD LUCK!

Order form on attached page >>>

We will do our best to fill each request. If more than one request for a Lucky Number is received, we will award the number to the request which we first received. If you chose for us to mail it to you, **your calendar should reach you by late November**. Please call the Laurelton Fire Department at (585) 482-8584 with any questions.
